Shirt size of participant (men's / women's sizing) _____

Left or right handed (check one): L___ R___

GENERAL INFORMATION ABOUT THE CAMP

This will be a 3 day fly fishing and tying camp. Previous fly fishing experience is not required. Your child will receive casting instruction on the first day and, fishing experience thereafter. Participants also will receive fly tying experience after dinner on the first and second evenings of the program. Attendees will learn about entomology (bugs), will capture specimens, and will attempt to imitate live bug patterns during fly tying classes. They will fish almost all day when not receiving instruction, eating or sleeping. Rods, reels, fly line, leaders, tippet, fishing packs, hats, buffs, fly patterns, fly boxes and related accessories are provided without additional charge to all participants. Fishing boots and waders are not required, although participants are urged to bring sturdy shoes that can get wet and that provide support, a light wind/rain jacket and layered clothing. Dinner will be provided on the first and second days, and breakfast and lunch will be provided on the second and third days. Separate lodging for boys and girls will be provided in facilities that are approximately ½ mile from each other. Lodging will be in cabins and/or apartments on location. Girls will have female mentors and boys will have male mentors with a ratio of approximately 1:3 or less. Participants only need to bring a sleeping bag, a pillow, if desired, personal clothing, and personal hygiene items. Participants will be supervised at all times.

This event is limited to 14 participants, and enrollments are taken on a first-come, first served basis. After the first 14 participants have enrolled, additional participants will be placed on a wait list in the order that their applications are received. Guardians will be responsible for drop off and pick up at Paradise Ranch. At pick-up on the third day you will be given the opportunity to fish with your child for a few hours and, if desired, have dinner at the Ranch for an optional additional cost. All adult mentors and volunteers undergo and are required to pass police background checks prior to receiving approval to participate in the program, and all are experienced fly fishers.

Cost for this event will be \$450.00 per participant and payment in advance is due upon submission of this form. Checks should be made payable to "Stonefly Society of Utah." The cost is fully refundable if the participant cancels within 90 days prior to the start of the camp, and ½ is refundable if cancellation occurs within 45 days of the camp. The balance of the cost is refundable if, after cancellation, another participant enrolls and pays the full cost. Guardians also will need to sign a standard release form and both guardians and participants will need to sign a photo waiver as our sponsor's would like the option to use any of the photos taken. Please consult the release form regarding the physical and mental maturity requirements for the participants. The completed form, and the payment, should be sent to David E. Leta, c/o Snell and Wilmer L.L.P., 15 W. So. Temple, Ste. 1200, Salt Lake City, UT 84101.

If you want to donate to help us send some kids who cannot afford to attend, if you want to be a mentor, if you would like to donate equipment for this event, or if you have any questions or suggestions please contact David Leta (801-560-5382; dleta@swlaw.com) or Scott Antonetti (801-946-4556; speytyer@aol.com).

Some examples of our past equipment Sponsors: Smith/Suncloud Optics, Allen Fly fishing, Rainey's Flies, Rising Fly Fishing, Tacky Fly fishing, Simms, Patagonia, Hardy/Greys, Fish in Energy, Fingognito, Green Drake Outdoors.
